OLD BUSINESS

Banner Update – Tim Eddinger

Banners will be ready in two weeks in time for championship games.

EAHC Website & Referee Evaluations – Roger Partridge

Only 429 referee evaluations were filed electronically. The system crashed in early February but was only down for a short time. If everyone filled out an evaluation we should have about 1800 evals. Only about 60 hard copies done.

Table for summer discussion

NEW BUSINESS

Playdowns and Championships:

- Review play off Guidelines.
- High seeded team is responsible for changing jersey color.
- The seeding stays the same throughout.
- Buy index cards to write shootout players and 2 alternates before game starts.
- Championship rink is fine.
- Commissioners do scoresheets. Rink (Organization) will provide time keeper.

Discussions:

2 full periods played is considered a completed game.

Protests: Must be made within 1 hour after completion of game.

Protests must be presented to Commissioner and President of EAHC.

Referee calls are NOT protestable.

Thanks from Jeff C to everyone for a great season.

Tabled for summer: Incentive Program. Bantam B Commissioner will put in writing the incentive program he created this year. He will e-mail this along with how he thought the program helped his teams.

Tabled for summer: Suggestion was made to have all Championship games at ESL and use the big rink. The organization that is supposed to host will still be in charge of the championship. ESL (Mark) would have to know this by August 1st. Organizations should bring this up at their next meeting.
