Additional New Items:

Need to look at Snow Belt policies for double shifting, as it is not fair to other players on bench, especially for house teams.

Roger to send out lowest penalty teams and post on web.

Coaching cards should be carried with you at all times. We should announce this during the scheduling meetings. A suggestion was made that we request coaches to copy front and back of all coaches' cards and send in with the team rosters.

Add guidelines for what you can do if you need to walk off the ice during a game.

We should invite someone from RIHOA to ask about what we should tell or advise our coaches what to do if they feel they want to pull their team off the ice because of safety reasons.
