

2006 - 2007 Rochester Amerks Fair Play Program

The Rochester Americans hockey team will continue the Amerks Fair Play Program for the 2006 - 2007 season. The Amerks will reward area youth hockey teams that play a penalty free hockey game with free tickets to an Amerks hockey game.

At the end of each month throughout the 06-07 season, one team will be drawn at random as the "Penalty Free Team of the Month." Each player and official coach will be given a free ticket to an Amerks home game the following month. The Amerks will also recognize that team prior to the game.

Additional tickets can be purchased at a discount price of \$10.00!
