NEW BUSINESS

Number of players on the roster:

Max 20 players, RE: USA Hockey Rules Alternates are rostered. If a player plays 10 or more travel games he cannot join Empire league. If he plays under 10 games he can still play.

Least penalized team party at end of the season:

USA wants to promote Fair Play. It would be nice to do something to give to the team with the least amount of penalties for the season. A team pizza party was discussed. We could call it the Fair Play Award. It would cost about \$500.00 to supply the 10 divisions \$50.00 each.

Motion to approve: Dave LaPenna

Seconded: Scott Carley

All in favor for approval

Scoresheets were changed to reflect home team to send them in. 2000 were ordered and we still have 1000 left from last year.

Jackets:

Mark Angelo presented the 2 most popular logos. A vote was taken and the majority voted for Logo 1. He brought the jackets in so that everyone could try them on and order the correct size. He needed get a 50% deposit to order them.

Commissioner's connection:

Tim had most of these and emailed them out.

Referee evaluations need to go to the commissioners. Injury forms to EAHC (they will be yellow sheets). Tim will pick up binders for next Tuesday's scheduling meeting.

Meeting adjourned – 7:23 pm

Respectfully submitted by Barbra Hess-Klee
